

Refund Information

Refund Policy

Students must officially withdraw from each course before 10% of the course is completed in order to receive a refund of registration fees that were paid. All official withdrawals by the deadline will be credited to your OCC registration account. You may officially withdraw in-person or on-line @MyOCC. If you need specific guidance regarding the refund policy for registration fees, please refer to the current class schedule and/or to the Registration web site.

Return to Title IV

Once you have withdrawn, there are financial liabilities assessed to you if you withdrew from all of your classes before completion of at least 60% (Public Law 105-244). Please contact the Financial Aid Office if you are considering withdrawing from all of your classes before you have completed 60% of the course. We will advise you regarding your repayment and eligibility status and any alternative actions that may be available.
