Note: Courses noted with () may be taken as an elective if the alternative course has been taken as a required course.*

Note: Each required and elective course must be passed with a grade of "C" or better to qualify for the Certificate of Achievement.

ASSOCIATE DEGREE

Complete the Certificate of Achievement and the Associate in Arts Graduation Requirements as outlined in the Graduation Requirements section of the catalog.

FITNESS SPECIALIST

The Orange Coast College Fitness Specialist program trains students for positions entry-level or higher in the booming fitness industry. Graduates are qualified to be fitness instructors, exercise testing technicians, strength coaches, and personal fitness counselors.

Students in this program learn scientific principles of exercise and physical conditioning, techniques of leading exercise classes, and methods appropriate to establishing healthy behavior. The Fitness Specialist evaluates the physiological and psychological effects of physical activities and designs personalized exercise prescriptions.

The fitness industry, experiencing rapid growth, has a growing demand for trained instructors and exercise test technologists in health clubs, fitness studios, and sports medicine clinics. The employment outlook is excellent.

FITNESS SPECIALIST

This program provides students with theory necessary to be effective in the health fitness industry (health clubs, corporate fitness, etc.). Students in this program will learn scientific principles of exercise and physical conditioning, techniques for the measurement of human performance, and methods for establishing healthy nutritional patterns.

Program Outcomes

Upon completion of the Fitness Specialist program, students will have the knowledge, skills and experience necessary to assess and evaluate an individual's level of physical fitness and design appropriate exercise programming to improve physical fitness. Students will be qualified to for careers as fitness instructors, exercise testing technicians, strength coaches, or personal fitness trainers.
