

2010-2011 Lecture Series Begins! *Murrieta Hot Springs in it's Heyday!*

Newport Beach resident and author Tony Guenther will launch Friends of the Library's 2010-2011 season with "Murrieta Hot Springs In It's Heyday!" on Tuesday, Sept. 14th, at 7:30 p.m. at the Lido Isle Clubhouse, 701 Via Lido Soud, Newport Beach.

The program is cosponsored by the Lido Isle Women's Club. Join FOTL for a step back in time with Guenther, great grandson of Fritz Guenther, the founder of the once world-class resort and health spa. Guenther, is the co-author of a recent book, "Murrieta Hot Springs." With his historical

collection of photographs and stories, he will transport us to the springs' early beginnings and on to its glory days.

Donation is \$5 at the door or a gently used book. Admission is free for FOTL members, Lido Isle Women's Club members and OCC students. Extra credit slips will be available following the presentation.

Tony Guenther will sign his book following the presentation.

This year, Lido Village Books will bring a wide variety of books for purchase at our programs. A generous portion of the proceeds from these sales is donated to the Friends and over the years, this has proved to be a significant avenue for us to support the OCC Library. We urge you to take advantage of this opportunity to support our organization.

Friends of the Library President's Message

Greetings! I hope you have been enjoying a relaxing summer. As we begin this new school year there are some changes to report at the library. Joe Poshek has been appointed the new Dean of the Library. He succeeds Sheri Sterner who has been Dean for the last five years. Sheri will return full time to her position as Director of Institutional Effectiveness. Our Friends group will miss Sheri. She has kept us informed about fiscal and administrative matters concerning the library so we could provide support where needed. We wish Sheri well and we expect to see her at many of our functions, as she is a great supporter of the library.

And so we welcome Joe Poshek and look forward to working with him as the new Library Dean. As many of you may remember Joe presented our program last spring, "Rock and Roll and OCC Through the Decades," which was very well received. He is assuming the library duties in addition to his current position as Dean of the Visual and Performing Arts Division. Joe has a lot on his plate, but I know he is up to the challenge.

The purpose of our Friends group is to support the library and increase its awareness in the community. We do this by our series of programs, our Banff film festival series and our book sales. Dates of these upcoming events can be found elsewhere in this newsletter.

This is shaping up to be another fiscally challenging year for the campus and the library in particular. We anticipate being called upon to provide support in areas where their needs cannot be accommodated in the campus budget. You can support our group by becoming a member, attending our programs and events, and donating books to sell at our book sales and in our library bookstore.

I would like to thank all of our members and volunteers who work behind the scenes providing the skills and expertise that make our efforts successful. I am truly grateful for all that you do.
