DEPENDENT STUDENT VERIFICATION WORKSHEET

To receive student financial aid, you must complete a process called "Verification." Verification requires you to submit copies of your and your parent(s)' financial documents (signed Federal income tax returns, W-2 forms, etc.) and provide other information and documents to your college Financial Aid Office. After a comparison of information on these forms and documents and the information on the FAFSA (Free Application for Federal Student Aid), you may need to make corrections using your SAR, or your college may send corrections electronically.

What you should do:

- Fill out all sections of this form and return it to the Student Financial Aid Office.
- Submit all other required documents to the Student Financial Aid Office.
- Complete this process as soon as possible so that your student financial aid won't be delayed.
- If you have any questions about filling out this worksheet, talk to someone in the Student Financial Aid Office.
