

ORANGE COAST COLLEGE

COURSES TRANSFERABLE TO THE UNIVERSITY OF CALIFORNIA

This agreement lists courses transferable for unit credit at all UC campuses. It is based on the 2008-09 OCC catalog and is valid for courses taken Fall, 1989 or later. ***The most up to date course list is available on www.assist.org.***

Courses designated with an asterisk (*) have credit limitations.

In spring 2008, Orange Coast College converted to a new database as part of the Coast Community College District. As a result, an "A" was added to all the course numbers (i.e., ENGL 100 changed to ENGL A100). The official transcript will show the letter "A" preceding the course number for all courses since 1989, even though the actual change did not occur until spring 2008.
