SUBJECT: Orange Coast College Presidential Search Progress Report #2

DATE: July 17, 2009

On June 26, 2009, the Orange Coast College presidential position was advertised for the second time in *The Chronicle for Higher Education*. We have sent letters to all community college presidents throughout the country soliciting nominations. Through ACCT's national database and the California chancellors' intranet we've reached out to senior administrators of community colleges. Our search consultants are continuing with one-on-one recruiting.

Nominations for President of Orange Coast College can be made by sending an e-mail to narcisa_polonio@acct.org. All nominations and applications are held in strictest confidence. The Presidential Search Committee has made a commitment to maintain confidentiality. We ask the college community for your understanding and support.

We encourage the entire Orange Coast College community to consult the Presidential Search portion of our web site at <http://www.orangecoastcollege.edu> for periodic updates on the search progress as we move toward the September 10 target date for applications.

If you have any questions, please feel free to reach out to our search consultants Dr. Narcisa Polonio at npolonio@acct.org or by calling (202) 276-1983 (mobile) or Carole Kraemer, ckraemer@acct.org, 202-775-4468 (office).
