

Business and Computing Division

FINANCIAL ACCOUNTING COMPETENCY CERTIFICATE OF SPECIALIZATION

This certificate, issued through the Business and Computing Division, provides students with basic accounting and computer accounting coursework focusing on intermediate accounting concepts. Completion of the certificate will enable students to prepare for the financial reporting section of the CPA exam.

Students are required to obtain a grade of "C" or better in all required courses.

Program Outcomes

Demonstrate generally accepted accounting practices in the area of business taxation using various forms of technology.
