

Become a **MENTOR** for the OCC Student Project & Research Symposium 2019

Why become a Mentor?

- Work closely with individual and highly motivated students outside the classroom
- Develop and explore new projects with your students
- Connect with colleagues from other disciplines
- Great Faculty volunteer opportunity

What does a Mentor do?

- Advises students in developing research topics, proposals
- Guides students through the preparing of abstracts of their research to be submitted to the research committee
- Provides feedback to students on their research results and presentations

Who can be a Mentor?

- **Sign up to be mentor here:**
<https://occportal.orangecoastcollege.net/MentorSignUp>
- **Visit our website and find out more about the Student Project & Research Symposium:**
