

Name of Presenter: _____ Presentation Type: Oral Poster Exhibition

Project Title: _____

Directions: While observing the presentation, please circle or indicate which “level of performance” the student has modeled for all three criteria by indicating a score between 1 to 5. Use your best discernment when scoring based on your background of working with Community College students. The scoring should be completed for each student. Please attempt to finalize the scoring for one student before the next student presents, and remember to tally the points and **PLACE THE TOTAL** score in the “final score” box below.
