

PROGRAM OF STUDY

Business Administration Associate in Science for Transfer

The Associate in Science in Business Administration for Transfer degree is designed to provide students with the common core of lower division courses required to transfer and pursue a baccalaureate degree in Business Administration. This includes business degrees with options such as accounting, entrepreneurship, finance, international business, management, and marketing. The Associate in Science in Business Administration for Transfer degree aligns with the CSU Bachelor of Science in Business Administration.

Program Outcomes:

OUTCOME 1:

Business administration courses provide students with the background for success in diverse professional occupations and life skills.
