

PROGRAM OF STUDY

Global Studies Associate in Arts for Transfer

Global Studies is an interdisciplinary course of study that provides students with an understanding of political, cultural, environmental and economic processes and their implications. The program introduces students to the study of global issues and perspectives while providing methodological tools and techniques for analyzing them at multiple scales (local, regional and global). Students will develop the skills for analyzing the impacts of globalization by applying diverse perspectives to current global issues.

By critically analyzing a variety of case studies, students will be prepared to participate in an interconnected environment and continue their studies in a variety of fields.

Program Outcomes:

OUTCOME 1:

Students will demonstrate knowledge of the historical evolution of globalization, the interconnectedness of economic, political and environmental processes and its positive and negative consequences.

OUTCOME 2:

Students will apply knowledge to propose policies to address an issue of globalization.

OUTCOME 3:

Students will be able to transfer under provisions of SB1440.
