

PROGRAM OF STUDY

Spanish Associate in Arts for Transfer

The Associate in Arts in Spanish for Transfer Degree, (AAT) is an excellent way to develop communicative skills as well as analytical and critical thinking. It can provide a basis for understanding culture, and therefore, prepare graduates for many careers in a multicultural world. The ability to communicate and interact with others is more and more vital with growing global interdependence and technological connectivity. Students in the Associate in Arts in Spanish for Transfer Degree (AAT) can develop careers in areas such as: education, diplomatic services, anthropology, economics, political science, literature, sociology, and linguistics. While teaching has traditionally been the principal area of employment, other careers, such as interpreting, translating, research, public relations, international commerce, tourism, and publishing are possible.

The department offers courses from the beginning to intermediate levels. All courses are designed to develop the student's listening comprehension, speaking, reading and writing skills, as well as to provide a general overview of Spanish-speaking civilizations and cultures. Students will be prepared to enter a baccalaureate degree program in Spanish at a CSU, such as California State University Fullerton.

Program Outcomes:

OUTCOME 1:
