Hi 2student password,

Somebody has recently requested a password change on your account.

If you requested this password change, please follow these two steps:

1. First, click the link below to update your password:  
<https://occ.accudemia.net/Public/ForgotPassword.aspx?Step=Update&Req=65f>
2. Then, use your ID and the new password to log in.

If you do not want to change your password, you may ignore this message.

Thanks,  
The Accudemia Team

Click on Blue Link

## Change your password.

Your identity was successfully validated, now you can change your password.

**Please Note:** For security purposes, your new password must be a minimum of 8 characters long. A strong password contains a combination of uppercase and lowercase letters (remember that your password is case sensitive), numbers, and special characters such as +, ?, and \*.
