Who are my tutors?

SSC Tutors must meet academic criteria, be recommended by their instructors and complete a tutor training course. Our staff of tutors is a diverse group of OCC students, former OCC students who are now at local universities, and graduates with bachelors' or masters' degrees.

Please come prepared in order to maximize your time spent with the tutor.

- have your book, syllabus, lecture notes, and study materials available
- have questions ready to ask the tutor
- come ready to work

Tutors Will:

- help you understand the material
- help with study skills such as test prep, note taking, and time management
- encourage and support your efforts to learn

Tutors Will Not:

- do your homework for you
- just give you the answers
- correct/edit papers
- help with personal statements or take-home quizzes/exams

Policy Regarding Video Recordings: Students are not authorized to record audio/video tutoring sessions with any electronic device or phone.

College Success Series: A variety of topics are offered on a weekly basis throughout the semester. Workshop topics include time management, note taking, motivation, test taking and more.
