Associate Degrees for Transfer (ADT) to CSU

ADT degrees provide a transfer pathway after the completion of 60 units from a specific set of major and general education courses at OCC. Recipients of an ADT are guaranteed admission to the CSU system, but not to a particular campus or major. See a Counselor to discuss requirements and benefits of the ADT.

☐ Is an ADT offered at OCC in your Major? Currently the following ADT degrees are available at OCC:

- Business Administration
- Communication Studies
- Early Childhood Education
- Elementary Teacher Education
- English
- Geography
- History
- Journalism
- Kinesiology
- Mathematics
- Music
- Political Science
- Psychology
- Sociology
- Physics
- Theatre Arts

Coming in 2014-2015: Anthropology, Art History, Computer Science, Geology, Philosophy, Spanish, Studio Art

☐ Is a “Similar Major” offered at your intended CSU campus? Not all majors at the CSU are deemed “similar” to the community college ADT. To see whether your intended major is similar to the ADT at OCC, please see the most recent “CSU Similar Degree Report” at www.sb1440.org/Counseling.aspx. For example, the Communication Studies AA-T is similar to the General Communication Studies major at CSUF but is not appropriate for the Public Relations or Advertising major there.

☐ Is the major and/or campus impacted? Is the student in a CSU Local Admission Area? Please see your OCC Counselor to help determine whether the ADT degree offers the best avenue for transfer based on Local Admission Area and Impaction status. CSU Impacted programs information can be found at http://www.calstate.edu/sas/impactioninfo.shtml
