We have audited the financial statements of Orange Coast College Foundation (the Foundation), a Component Unit of Coast Community College District, which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the Foundation's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors
Orange Coast College Foundation

Opinion

In our opinion, the financial statements referred to in this letter present fairly, in all material respects, the financial position of Orange Coast College Foundation as of June 30, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Foundation's 2014 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated February 20, 2015. In our opinion, the summarized comparative information presented herein as of and for the fiscal year ended June 30, 2014, is consistent, in all material respects, with the audited financial statements from which it has been derived.

ORANGE COAST COLLEGE FOUNDATION

NOTES TO FINANCIAL STATEMENTS

For the Year Ended June 30, 2015

With Comparative Totals for Year Ended June 30, 2014

NOTE 1 - ORGANIZATION:

The Orange Coast College Foundation (the Foundation) is a non-profit public benefit corporation organized under the Non-profit Public Corporation Law of the State of California. The Foundation was incorporated on August 7, 1984 with the express purpose of promoting and assisting the educational programs of Orange Coast College (the College) in accordance with the mission, policies and priorities of the College as administered by its President. The Foundation conducts its operations in conformity with general regulations established by the Coast Community College District (the District) as required by the Education Code Section 72672(c). The members of the Foundation's Board of Directors are composed of members from the local community. The Foundation maintains boats, many of which were donated, to use in the educational programs at the College.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting - The financial statements of the Foundation have been prepared on the accrual basis of accounting.

Classification of Net Assets - The Foundation reports information regarding its financial position and activities according to three classes of net assets:

Unrestricted net assets – Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Foundation and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Temporarily restricted net assets are restricted for scholarship and educational program funds.

Permanently restricted net assets – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Foundation. Currently, the Foundation has no permanently restricted net assets.

ORANGE COAST COLLEGE FOUNDATION

NOTES TO FINANCIAL STATEMENTS

For the Year Ended June 30, 2015

With Comparative Totals for Year Ended June 30, 2014

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (continued)

Cash and Cash Equivalents - Cash and cash equivalents are considered to be all cash available for immediate use and cash held for investment. Cash and cash equivalents consist of cash in interest bearing bank accounts and money market funds.

Pledges Receivable - Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional pledges that are greater than \$50,000 and due in more than one year are recognized at fair value using present value techniques at the U.S. Treasury Bill discount rate. Amortization of the discount is included in contribution revenue.

Management has reviewed the collectability of these pledges and determines the balances to be fully collectable. A plan to regularly evaluate pledges receivable and the potential collectability is in place and reviewed throughout the year.

Investments - Investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values in the statement of financial position. Investment income (interest and dividends) is included in the change in net assets from operations unless the income or loss is restricted by donor or law.

Split-Interest Agreements - The Foundation had a charitable remainder trust that matured in 2015. The terms and discount rates for these agreements are based on the life expectancy of the donor(s) and present value tables provided by the Internal Revenue Service for determining the amount of the charitable contribution. The charitable remainder trusts are administered by a third-party. Assets associated with the split-interest agreements were recognized at fair market value in 2014.

Property and Equipment - Property and equipment are stated at cost. Donated property is recorded at its estimated fair value at the date of receipt, which is then treated as cost. The Foundation maintains a capitalization threshold of \$500. The costs of normal maintenance and repairs that do not add to the value of an asset or significantly extend an asset's life are not capitalized.

Depreciation is computed on the straight-line basis over the estimated useful life of the assets. The estimated useful life for property and equipment is 5-10 years.

Accounts Payable - Accounts payable consists of amounts due to vendors, but not yet disbursed during the fiscal year.

ORANGE COAST COLLEGE FOUNDATION

NOTES TO FINANCIAL STATEMENTS

For the Year Ended June 30, 2015

With Comparative Totals for Year Ended June 30, 2014

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (continued)

Functional Allocation of Expenses - The costs of providing the various programs and supporting services have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Contributions - Contributions, including unconditional promises to give, are recorded when made. All contributions are available for unrestricted use unless specifically restricted by the donor. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Unconditional promises to give due in the next year are recorded at their net realizable value. Unconditional promises to give due in subsequent years are reported at their net realizable value, using risk-free interest rates applicable to the years in which the promises are to be received.

Donations, other than cash are recorded at estimated fair value at the time of the donation.

Management Fee - The Foundation serves the Orange Coast College campus clubs, departments, and organizations by managing funds for scholarships and other purposes to promote education. These funds are assessed an annual management fee to cover the stewardship and administrative expenses. This fee is recognized as unrestricted income.

Comparative Totals - The financial statements and notes include certain prior-year summarized comparative information in total, but not by net assets class. Accordingly, such information should be read in conjunction with the Foundation's financial statements for the year ended June 30, 2014.

Reclassifications - Certain reclassifications to the summarized comparative information have been made to conform with the current year presentation.

Donated property and equipment - Donated property and equipment are reflected as contributions in the accompanying statements at their estimated value at date of donation. For donated items with estimated values of \$5,000 or higher an appraisal is provided by the donor. This appraised value is the basis for the value recognized for the in-kind contribution.

ORANGE COAST COLLEGE FOUNDATION

NOTES TO FINANCIAL STATEMENTS

For the Year Ended June 30, 2015

With Comparative Totals for Year Ended June 30, 2014

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (continued)

Income Taxes - The Foundation qualifies as a tax exempt organization under the Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code 23701d.

The Foundation has evaluated its tax positions and the certainty as to whether those positions will be sustained in the event of any audit by taxing authorities at the federal and state levels. The primary tax positions evaluated relate to the Foundation's continued qualification as a tax-exempt organization and whether there are unrelated business income activities that would be taxable. Management has determined that all income tax positions will more likely than not be sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required.

The Foundation files informational returns in the U.S. federal jurisdiction, and the state of California. With few exceptions, the Foundation is no longer subject to U.S. federal and state examinations for generally three and four years, respectively.

Subsequent Events - The Foundation has evaluated subsequent events through December 7, 2015, which is the date these financial statements were available to be issued. There were no subsequent events requiring disclosure as of June 30, 2015.

NOTE 3 - CONCENTRATION OF CREDIT RISK:

Deposits - Custodial credit risk is the risk that in the event of a bank failure, the Foundation's deposits may not be returned to it. The Foundation occasionally has a need to maintain cash balances in excess of the amount insured by the Federal Deposit Insurance Corporation (FDIC). At June 30, 2015 and 2014, none of the Foundation's bank balance was exposed to an uninsured credit risk.

Investments - Investments with brokers are insured by the Securities Investor Protection Corporation (SIPC) up to \$500,000 of which \$250,000 may be cash. Insurance protects assets in the case of broker-dealer insolvency and not against decline in market values. As of June 30, 2015 and 2014 the Foundation had investments in excess of the SIPC insurance amount; however the Foundation believes it is not exposed to any significant credit risk on its cash balances.

NOTE 5 - INVESTMENTS: (continued)

Levels 1 through 3 have been assigned to the fair value measurement of investments. The fair value level of measurement is determined as follows:

- Level 1 - quoted prices in an active market for identical assets.
- Level 2 - quoted prices for similar assets and market-corroborated inputs.
- Level 3 - the organization's own assumptions about market participation, including assumptions about risk, developed based on the best information available in the circumstances.

Investment return for the years ended June 30, 2015 and 2014 are as follows:

	<u>June 30, 2015</u>	<u>June 30, 2014</u>
Investment income, net of expense	\$ 315,979	\$ 696,922
Net realized gain	21,503	86,060
Net unrealized gain	<u>(229,220)</u>	<u>1,088,855</u>
Total	<u>\$ 108,262</u>	<u>\$ 1,871,837</u>

The fair value of the Foundation's investments in certain real estate, venture capital/partnerships, commodities and hedge funds have been reported using the exchange rates or local market prices as reported by the management of the respective alternative investment. Therefore, the amounts reported by the alternative investment fund are classified as Level 3.

NOTE 8 – ASSETS HELD FOR SALE:

The Foundation accepts boats and marine equipment to support the College's School of Sailing and Seamanship (the School). Gifts made to the Foundation support 30% of the School's budget. Boats and marine equipment not used in the program are held for sale. As of June 30, 2015 and 2014, the fair value is \$78,838 and \$53,173, respectively.

Level 3 has been assigned to the fair value of these assets. The fair value measurement for Level 3 is determined by the organization's own assumptions about market participation, including assumptions about risk, which are developed based on the best information available in the circumstances. Management has chosen to recognize the change in value when realized due to economic uncertainties.

NOTE 9 - SALE OF DONATED ASSETS:

The Foundation records donated assets at their fair value on the date of the donation. For donated items used for instructional purposes, these items are recognized as property and equipment and depreciated as described in Note 2. Upon the disposal or sale of the property and equipment, the Foundation recognizes either a gain or loss from the disposal or sale of the donated assets. Sale of donated assets of boats and marine equipment for the year ended June 30, 2015 included the following:
